Universität Stuttgart

Lehrstuhl für Materialphysik

Institut für Materialwissenschaft · Heisenbergstr. 3 · 70569 Stuttgart

Master Materials Science
Summer Semester 2021

„Diffraction Methods in Material Science“

The lectures are expected to begin online on 14 April 2021.

Lectures: **Wednesdays, from 15:15 p.m. – 16:45 p.m. (weekly online)**

Exercises: **Thursdays, from 09:00 – 10:30 a.m. (weekly online)**

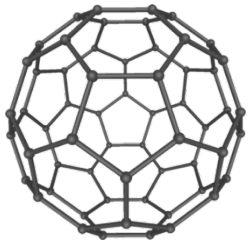
Lecturer: **PD Dr. Nikolay Zotov**

The online lectures will take place via Webex or Emails, depending on the number of students.

Registration in ILLIAS/Campus is obligatory.

Please, contact Dr. N. Zotov in advance per Email for additional details.

Regards,



PD Dr. Nikolay Zotov
