

The background of the slide is a microscopic image of a material surface, showing a complex, crystalline structure with various facets and ridges in shades of orange and yellow. A large, solid blue circle is positioned on the right side of the slide, partially overlapping the background image. Inside this blue circle, the text 'List of resources' is written in white. In the bottom right corner of the blue circle, there is a smaller white circle containing the text 'Fachgruppe Materialwissenschaft' in black.

Useful resources in general

Institute for Materials Science - Departments

In this handout, we want to provide a comprehensive list of useful resources and links to you. There will be information about

- The Sprachenzentrum
- The Institute for Materials Science
- The Institute of Polymer Science
- Other departments or research institutes
- Resources from the university
- Resources from the program
- Social media accounts.

In this handout, we will mainly provide you with the important links. However if you have further questions, please do not hesitate to contact the Fachgruppe directly.
