„High Resolution & Analytical Microscopy“

****Due to unexpected personnel shortages, this lecture has been postponed to 27 Feb – 17 Mar 2023****

~~The **block lecture is from 19 Sep – 12 Oct 2022 (3-week block)**~~
(Exact schedule is to follow.)

Time: **Lectures:** 27.02. – 17.03.2023 Mon-Fri (**except Wednesday**), 9:00-13:00

Lab Courses/Exercises:

27.02. – 17.03.2023 Mon-Fri, 13:00-18:00, (**Wednesdays all day**)

Location: **Lectures:** Werner-Köster-Hörsaal, 2R04, Heisenbergstr. 3

Lab Courses: Labs in Chair of Material Physics

Lecturer: Prof. Dr. Guido Schmitz

PLEASE NOTE: The class is LIMITED to 22 students, due to limited lab equipment. Therefore, you **MUST** register in C@MPUS for the lecture **AND** the exam. First come, first serve with a waiting list. If you are on the waiting list, you should come on the first day of class in case there is/are no-show(s).

Please also note that, due to the technical limitations of C@MPUS, although we are able to limit the class/course registrations, it is not possible to limit the number of exam registrations. So, even if you register for the exam, that is no guarantee that you can take part in the class unless you have registered for the class (and received a slot) in C@MPUS.

Kind regards,

Prof. Dr. Guido Schmitz
