Announcement
Winter Semester 2022/23

Advanced Science Seminar
Bioinspired Materials and Systems

Within the scope of the seminar, students would not only get an overview of the advantages, fabrication and potential applications of bioinspired materials, but also acquire the skill of planning and presenting a scientific talk. The preliminary meeting and seminars will be held on-site.

Preliminary meeting (for the topics offered by Prof. Bill)

Date: 19 October 2022, 09:00 AM - 11:00 AM
Venue: Lecture hall 2R4, Heisenbergstraße 3, 70569 Stuttgart

Seminar Meetings

Date: Wednesdays, 09:00 AM - 01:00 PM
Venue: Lecture hall 2R4, Heisenbergstraße 3, 70569 Stuttgart
